Large Group Rewards Program

Our suite of rewards programs gives you the flexibility to choose what programs are right for employees. Ask your Univera Healthcare account manager about these and other available sales tools & resources.

NEW!

Vitalize

Employees can engage with Vitalize, a digital platform that enables healthy living – connect a fitness tracker, get a clear picture of their health with a certified Health Risk Assessment, called a Health Check, set interests by choosing areas of health that matter most to them, add friends and family, rally coworkers, and use digital coaching. Digital experiences can be tailored to your employees needs.

Univera Fit Dollars

Employees can earn up to \$300 in reimbursements for health club memberships, at-home fitness equipment, online fitness subscriptions, children's fitness activities, individual adult classes & lessons (tai chi, yoga, etc.), and weight management programs.

Dental Rewards

Employees can earn up to \$300 annually as a reward, just for going to the dentist. Your employees simply register online, provide proof that they completed eligible dental services, such as a dental cleaning or exam, and their rewards will be sent in the mail.

Wellness Your Way

Employees and their families can earn up to [\\$200](#), [\\$300](#) or [\\$500](#) annually as a reward, just for being members. Your employees simply register online, and their debit card will be sent to them in the mail. The debit cards can be used anywhere, which gives your employees the flexibility of choosing the healthy programs that are right for them.
