What's new for 2024:

VitalizeSM

Introducing Vitalize, a digital home base dedicated to engaging teams in health and wellbeing, powered by Virgin Pulse.

New to all small group plans, Vitalize offers rewards of up to \$200 per subscriber and \$200 per spouse or domestic partner, including \$25 in action rewards for completing a health risk assessment, for a total rewards payout of \$400 per contract.

Virtual Physical Therapy for Musculoskeletal (MSK) Management¹

Members will have access to a holistic team of specialty medical doctors, physical therapists, health coaches, and nutritionists. Virtual physical therapy visits will be treated like a telemedicine benefit – covered in full (subject to deductible, where applicable). This update applies to all Standard and Non-Standard plans.

REACH Kidney Care

Our Care Management team is partnering with REACH Kidney Care, a kidney health management program designed to benefit members along the continuum of kidney disease, including advanced chronic kidney disease (CKD) and end-stage renal disease (ESRD). At no cost to members, REACH will provide one-on-one, individualized care management, both in-person and virtually, to help members navigate their health in a way that best fits their life. This update applies to all Standard and Non-Standard plans.

Updates and enhancements:

\$0 Outpatient Mental and Behavioral Care

We're committed to lowering the total cost and other barriers to care for our members. Outpatient mental and behavioral health services, including substance use support, will now be covered in full (subject to deductible, where applicable). This applies to all Non-Standard plans.

\$0 Pediatric Primary Care Visits

Sick visits to a primary care physician, generally considered as non-preventive care visits, will now be covered in full, for members up to age 19, (subject to deductible, where applicable). This applies to all Non-Standard plans with the exception of Univera Clear Options Gold.
