2024 Univera Vision Plans

Sales Tools & Resources

- With <u>Univera Visions Plans</u>, you can add a low-cost benefit that adds real value for your employees. These standalone plans are currently available for Small Group and Large Groups only and can be packaged with medical or dental coverage.
- With Univera Vision Plans, you get:
 - **Affordable options** With competitively-priced plan options and multiple contributions to choose from, Univera Vision Plans give you the flexibility to select premiums that fit both your and your employees' budgets.
 - Comprehensive coverage Univera Vision Plans includes low-cost eye exams, plus benefits for corrective eyewear including frames, lenses, and contact lenses, as well as options for covering contact lens evaluations. Additionally, employees have access to great discounts, including LASIK services and other extras!
 - Extensive nationwide network Through our partner, Davis Vision, employees have access to a nationwide network that includes 350 provider locations in the WNY region and over 100,000 access points nationally, including independent eye care professionals, 4 of the 5 top eyewear retailers and online retailers.
 - Convenience and easy administration With a Univera Vision Plan, consolidate billing, eligibility and enrollment through a single account team, plus coordinated COBRA administration through our partner, Lifetime Benefit Solutions.
- With online member accounts, empower your team to get the most from their plan through Single Sign-On (SSO) access to free online tools and resources.

Standalone vision plans are not currently available to individuals and families who buy direct from Univera Healthcare or New York State of Health (NYSHOP) Exchange.
